We celebrated our daughter's 11th birthday in NoWayOut

They had great fun in The Lab and School of Magic escape rooms. The staff were particularly helpful and friendly with all the preparations for the party afterwards. We will definitely come back here again.

““

Genuinely one of the best escape rooms I've ever been to

Very unique, engaging and actually fun rather than just walking around and being stuck. It still offered a challenge and wasn't too easy. I would totally come again to finish all of their escape rooms!
